

The Christian Church has successfully convinced Western people that the worldview that came out of the Empires of Greece and Rome, Hellenism, is superior to the worldview of the writers of the Hebrew Bible. Nothing will stop a Western Educator from constantly and at every angle of your life convincing you that the Hellenistic milieu is superior to the ways of life of every single ethnic group in the history of the world, especially the Biblical Hebrews. His career depends on it, his Government depends on it and the Corporate interests behind all of them depend on it the most. The reason why the Mercantile elite in this country gained power is because of the failure of Hellenistic Metaphysics, having fractured into thousands of pieces by the turn of the 20th century leading to the Rockefeller and Bernays establishment. The Corporate elite want you to believe that Hellenism is the only Philosophical option so they can keep grifting off the loneliness and social and sexual failure of Western people. People who are intellectually defeated and alone have more shopping copes than people thriving in a robust organic community. Is there another option? Yes. The worldview of the Bible, a book hated by the Church, having hidden it from the masses for centuries and even including it on their *The Roman Index of Forbidden Books* (Rules #4, 10) is The Ancient Near Eastern Worldview. (ANE) The basic tenants of ANE are:

**I.** Life is about the preservation of the covenant community. In the West it is the individual's Apotheosis through sounding smart. The Individualist West wastes the lives of millions on never-ending disputes of abstract speculation and the puerile pursuit of intellectual Apotheosis. But the textbook companies and the Universities profit greatly from it.

**II.** Empiricism and Materialism. The Hebrews had no conception of Metaphysics until their Babylonian Captivity and then their subjugation by

the Greeks. When Moses was confirmed as Israel's great Prophet in Exodus 4 he simply showed them a few visible miracles that God gave him and that settled the matter. Moses was never given nor did he write a tome of speculative explanations about the nature of the Universe. The Bible contains no mention of other dimensions only different frequencies and channels of the same dimension. There is no Kantian Noumenal World in the Bible.

**III.** Though the ANE does not contain any Metaphysics it does contain Magic. Sympathetic Magic and the Aether are fundamental to the ANE. (Gen. 30:37-39, 31:9-13, Lev. 16:21, Num. 5:11-31, Deut. 21:1-4, 2 Kings 6:5, Rom. 5:19, Heb. 7:10, 1 Cor. 11:24-25, 1 Cor. 15:21-22, 2 Corinthians 5:21, Rom. 6:3-4, 8, Col 2:12, Gal. 2:20, Heb. 2:14 and Rom. 8:3) The men who designed and built our modern electrical grid and our radio and wireless technology, Michael Faraday, Oliver Heavyside, James Clerk Maxwell, Charles Steinmetz, Tesla, Marconi and Oliver Lodge held to this Scientific worldview. You were never taught the history of these men because the Corporate elite have deliberately hidden them from you. You did know that John D. Rockefeller created your modern public schools right? It was originally called his General Education Board, 1902. Instead, the corporate controlled public school has swamped real science behind their master Obscurantist Albert Einstein. Why? Because Albert Einstein's worldview is Neoplatonic Metaphysics (Pantheism) from Hellenism. (See *The Tao of Physics* by Fritjof Capra) Any real Science you will be taught utilizes a name game. Any real modern Science is going to take from Sympathetic Magic and simply give it a new name. Instead of Aether they will use Atmosphere or Quantum Foam. Instead of Resonance and Animal Magnetism they will use Transmission, etc. Though Modern Science has told you that they have broken from both Aether Science and Platonism, when you pry into the definition of atoms and particles you find nothing but Platonism: Niels Bohr,

“Isolated material particles **are abstractions**, their properties being definable and observable only through their interaction with other systems.” (*Atomic Physics and the Description of Nature*, 1934)

Thus, we see that Atomism is just another form of Platonism from Hellenistic Greece: reified abstractions attributed concrete existence.

**IV.** The ANE affirms Juridical Forensic morality because Might Makes Right. In the ANE, whether you are speaking about God or an Ancient King, both were considered sovereigns. (Unlike Plato's Demiurge who is subservient to the Forms) They did not have Western notions of Equality and Individualism. If you are wearing clothes today, if you believe that incest is immoral, if you refuse to drink blood, or if you believe worshipping the Sun and Moon is immoral, you have accepted ANE morality. These previous statutes were simply the sovereign opinions of the Hebrew God from the Bible. Everyone of these actions, nudism, incest, blood drinking and sun worship are all perfectly natural and rational behaviors. They are forbidden in the Bible by mere statute from God. The practice of redemption through blood atonement is yet another sovereign statute and opinion of the Hebrew God from the Bible. Pagans inherited this practice from Noah as can be seen from Gen. 8:20-21 and the Centaurus constellation. The Western Christian notions of Apotheosis and Universal Natural Law are at the root of Liberalism and are completely contradictory to the Bible.

**V.** There is no concept of a soul in the ANE. The ANE people believed that the seat of the intellect was their bodily organs. In the Bible specific attention is given to the kidneys and intelligibility. (Jer. 17:10, Psa. 16:7, 26:2, 73:21, Prov. 23:16) There is no afterlife in the ANE. The Biblical notion of the last state is the Resurrection of the body. The Bible describes the state of death as being sleep (1 Kings

1:21, Job 14:10-12, Psa. 6:5, 13:3, 115:17-18, Matt. 27:52-53, John 11:11-15, Acts 2:34, 7:60, 13:36, 1 Cor. 11:28-30, 15:6, 18-20, 51-52, 1 Thess. 4:13-17) and that man's thoughts perish at death. (Psa. 146:3-4)

**VI.** The ANE notion of sexual Patriarchy is a bane to Western man. The ANE Patriarchy puts enormous duties and financial and legal pressures upon men. The Torah commanded husbands to provide a Dowry to his virgin wife of at least 3 years of common adult male wages or at least \$100,000 as inflation rates exist in America. A Dowry is money paid by the groom or his father to the bride and her family. (Gen. 24:10, 22, 47, 53, 29:18, 30:20, 31:14-15, 34:12, Exodus 21:9, 22:16-17, Deut. 22:28-29, 1 Sam. 18:25-27) This is the primary difference between a wife and a concubine. The wife had a right of the Dowry and the concubine did not. I have known countless thousands of Christian men and I have never met one of them who provided a Dowry to his bride. The Dowry was an incentive for women to remain chaste and to view the institution of marriage with great reverence. It was also a great incentive for men to work and contribute to society as a great reward would await his years of hard work. The Western Christian abrogation of the Mosaic law has cheapened and degraded the institution of marriage and it has led to the inevitable result of unmarriageable, bitter, sexually promiscuous women in the West.

**VII.** The ANE promotes tribal not Universal morality. The Torah law system was specifically catered only for the covenant community. (Lev. 19:17-18) This continued into the New Covenant. (Matt. 18:17) When Jesus gave his Golden Rule, the "others" are other people in the covenant not every single human being on the earth. He makes this clear when he concludes in Matt. 7:12, "for this is the Law and the Prophets."

**VIII.** The ANE view of Cosmology is Flat Earth. The Western Globe Earth is a complete product of Platonic Metaphysics which are catalogued in Plato's *Timaeus*, Analysis 29-32. After the work of Samuel Rowbotham and Lady Blount exposed the truth to the masses in the late 19<sup>th</sup> - early 20<sup>th</sup> century and the massive Flat Earth community of Zion, Illinois exploded in the early 20<sup>th</sup> century up until the 1930s, the Catholic Knights in the intelligence agencies led by Wild Bill Donovan and the Mercantile elite led by H.G. Wells and the Huxley family desperately published their Science fiction fantasies and organized the now war criminals among the Nazis through Operation Paperclip to come to the United States and create NASA in order to save the Hellenistic Worldview. Sadly, they were successful. In the past 15 years NASA and its affiliate conspirators across the world were exposed in print, documentary and on the internet for their fraud and half-assed special effects. See my *The Flat Earth Encyclopedia* page 24 et al. and Dave McGowan's *Wagging the Moondoggie*. The facts are: 1. The sun changes size in magnitudes from noon to sunset in the Equatorial region and runs a straight route to the horizon<sup>1</sup> while in the Northern latitudes it changes size from noon to sunset but not as dramatically and takes a left to right turn which is only possible on the AE Map. 2. The Solar Analemma is a complete slam dunk for the AE Map and it refutes Kepler's Three Laws. 3. I would also invite you to watch the DogCamSport April 28, 2011 observation where a clear heat transfer concentration appears on Earth's atmosphere proving the sun local to the Earth.
